

it's a good idea

to work

I have to go...

I think...

recommend?

I'm tired

No way!

What do you...

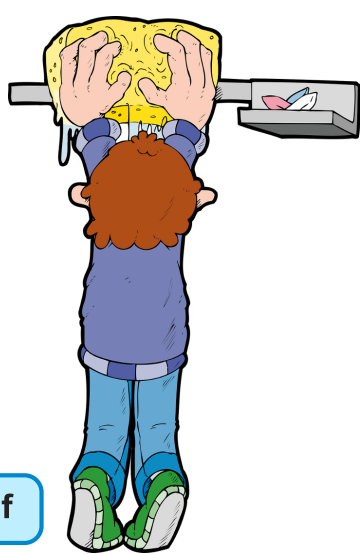

is the most important

Spending time together...

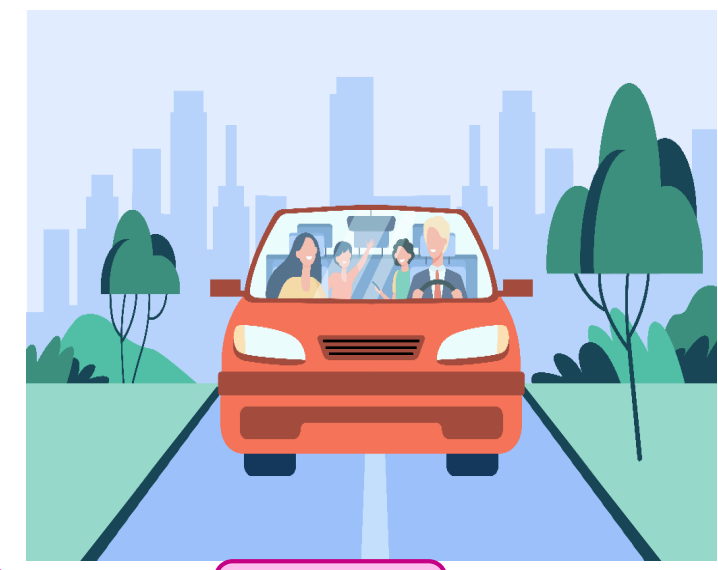

I had to...

clean everything myself

Who would you like...

to go with?

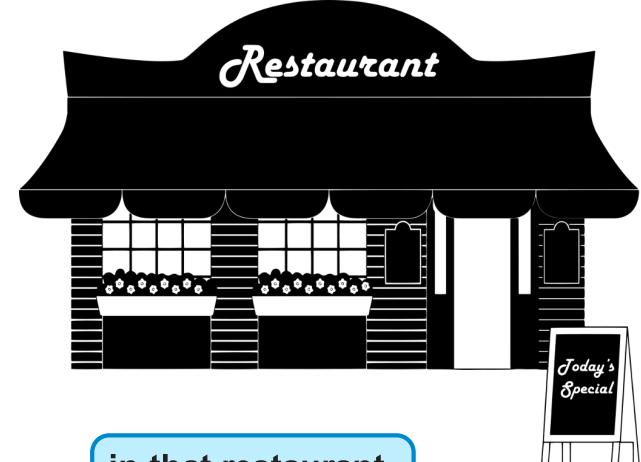

It's a special day!

Yesterday I met a handsome man...

in that restaurant

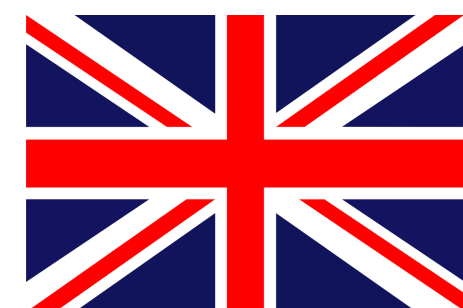

from the USA?

Where are you from?

I'm neither from Dominican Republic...

nor from the UK
