'A guy' in itself (czyli samo w sobie) means 'facet', 'gość' but saying 'guys' you can mean people in general.

Generalnie, ogólnie mówiąc.
I see.
'Hey, Guys!' to takie, 'Cześć, Wam!', 'Cześć, Iudzie!'.
Ok. I got it.
Sonia, maybe I'm wrong. But it seems to me that yesterday you met James. Didn't you?
Yeah, we met yesterday. :)
You didn't say anything!
Haha. Our last conversation was very interesting, so I didn't want to interrupt it.
I don't mind it. Nie przeszkadza mi to. Nie mam nic przeciwko. :)
Nice to hear that!
Are you dating him?
Dating?
Don't you know the word 'date'?
Aaa randka. Czy randkuję z nim?
I'm not sure
Ooo it means something
Haha. Well, we have wspólne passions.
Common passions. 'Common' to nie tylko 'powszechny', but also 'wspólny'.
Dear listener, say: Mamy wiele wspólnych pasji.
<b>영영영</b>
We have a lot of common passions.
And now: Oni nie mają wielu wspólnych hobby.

They don't have a lot of common hobbies. Or: They don't have many common hobbies. Great! Dear listener, let's ask Sonia: Jakie są Wasze pasje? 888 What are your passions? Well... We like to travel and we like to sing. I see. You know, Sonia... The British raczej nie powiedzieliby 'I like to sing'. Why? What did I do wrong? Nothing wrong. Hehe. I'll show you something. I'm all ears! Pay attention to the following examples. 'Following' means 'następujące', Dear listener, say: Potrafię tańczyć. I can dance. Excellent. And now: Powinieneś dużo praktykować. You should practice a lot. Notice, please. Zauważ, proszę, że po 'should' i 'can' nie mamy żadnego 'to'. Yeah. That's very clear. Another example. Dear listener, say: Chce tam pojechać. **8 9 9** 

I want to go there.

Mam nadzieję dostać nową sukienkę.

000

I hope to get a new dress.

Fantastic!

Tutaj daję 'to'. I want TO go, I hope TO get.

Exactly.

Now, listen carefully, czyli słuchaj uważnie.

Ooo. To od 'care'! Od uwagi.

Yep! Listen carefully: I finish working. I recommend leaving. I imagine dancing.

What did you notice?

Instead of saying 'to work', 'to leave', 'to dance', you said 'working', 'leaving', 'dancing'.

Yep! Exactly. With time, you'll get it. For now, remember only that there are some words, które łączą się chętniej ze słowami z 'ingiem'.

I see.

Some sentences can mean something different w zależności od tego czy użyjesz 'to', czy 'ing'.

Can you give me an example?

Sure! Sonia, dear listener, do you guys know what 'to smoke' means?

To prawie jak smok. Haha.

Haha. Very good. Wyobraź sobie smoka ziejącego ogniem. 'To smoke' oznacza palić.

I see.

Now, listen carefully: 'I want to stop smoking' means 'Chcę przestać palić' - in general.

Yeah, that's clear.

And now: 'I want to stop to smoke'. That means that I want to have a break to smoke. Chcę zrobić sobie przerwę na papierosa.

Wow! That's a completely different meaning. Are there more examples like that one?

Yeah. I can share it with you tomorrow because now I gotta go. I have a doctor appointment at 10 am.

That's very soon? Wizyta u lekarza?

Yes, 'a doctor' to lekarz, lekarka.

A wizyta? Can you say that again?

Yes. An appointment.

Okay. Lepiej idź. Don't be late.

You can say: You better go!

Yeah, you better go! Dear listener, take the quiz and learn from our mind map and take care of yourself!

Yeah, take care! The shorter 'take care' is more informal.

Sounds great! See ya!

Bye!
